No entry for Dairy Competition will be accepted after 12 o'clock noon, Tuesday, July 10th.

Entry fee, \$1.00.

Cows entered in other classes may also enter in the Dairy Competition.

The awards in this contest shall be made by the following scale:

1 point for each ten days in milk after the first thirty days; limit, 10 points.

The Milking Competition shall extend over 48 hours, and will take place on Tuesday and Friday, July 12th and 13th. Rations fed to the cows will not be considered. An exhibitor may have the privilege of milking three times a day if a request is made on the entry form when entries are made. The percentage of fat in the milk will be determined by the Babcock Milk Tester, and the percentage of solids (not fat) will be determined by ascertaining the specific gravity of the milk and then estimating the amount of solids (not fat) by the use of recognized formulae for that purpose.

A statutory declaration will be required from each exhibitor, stating the number of days his exhibits have been in milk, also stating that each exhibit is shown in her proper class.
